4. Diseño y Desarrollo de Interfaz

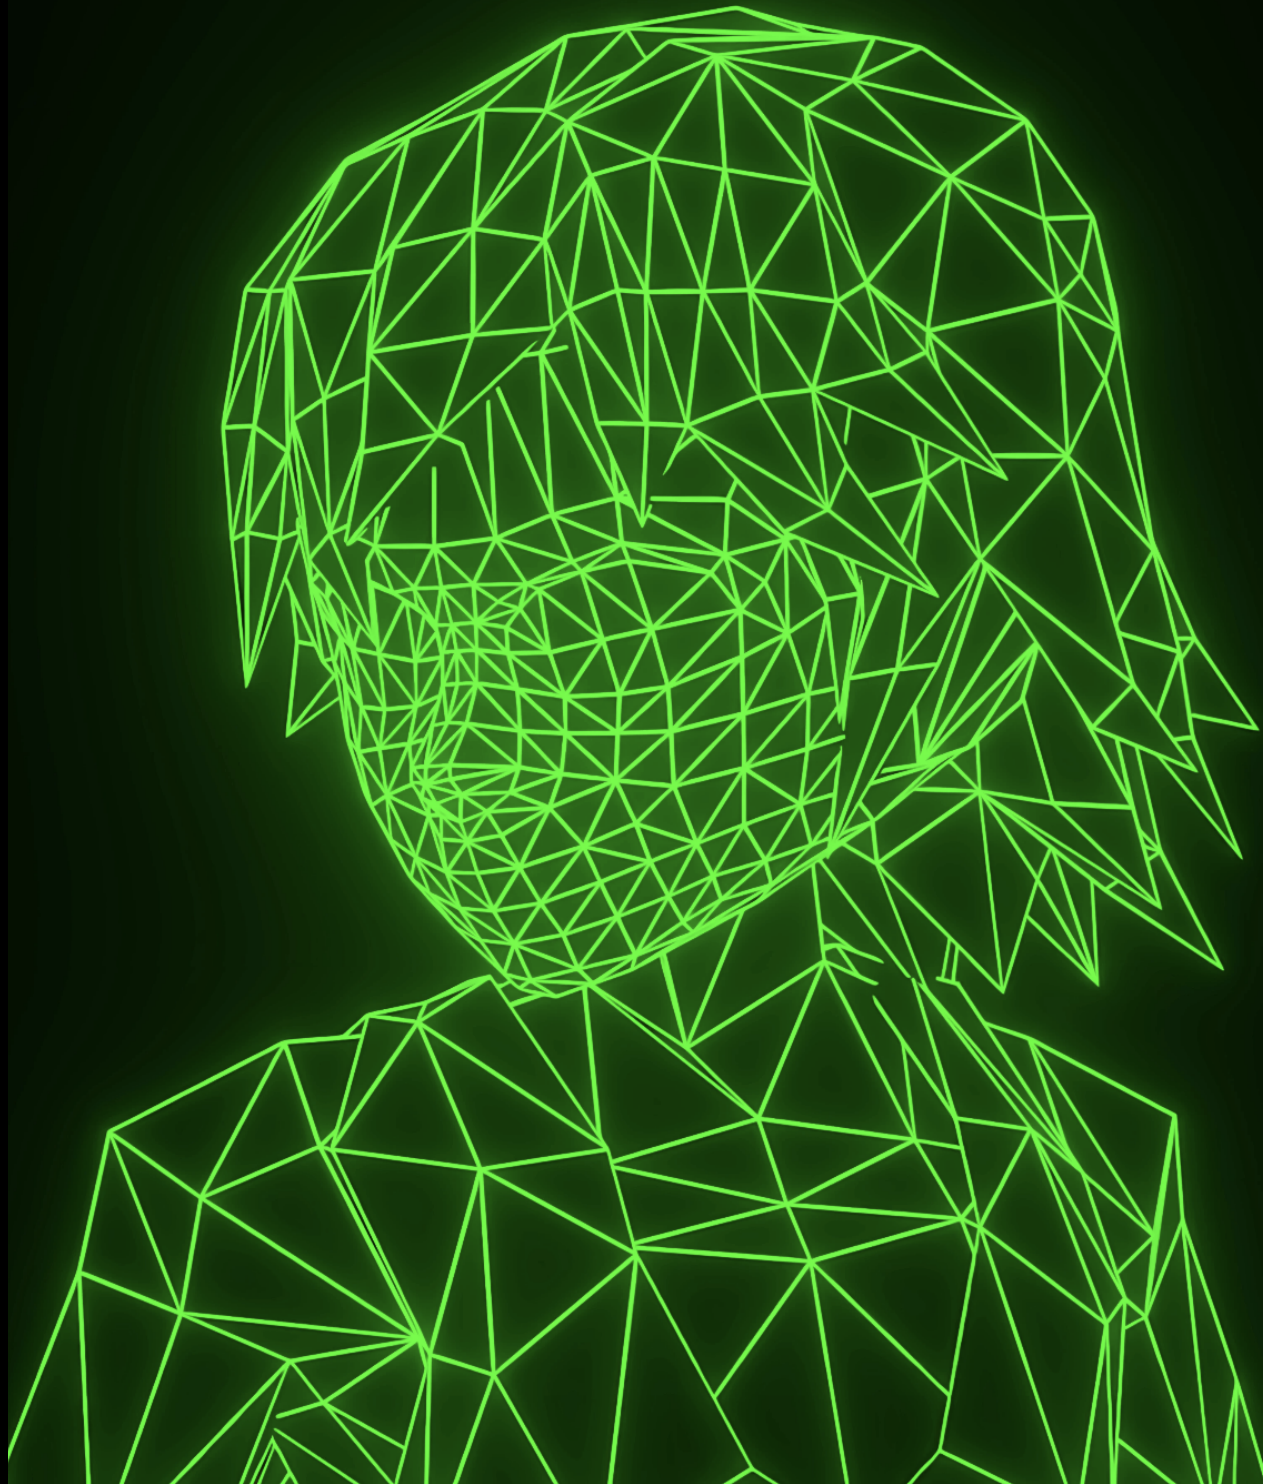

Unified Dark Theme for all websites from the FusionFall Universe project, which allowed users to enjoy a better experience of their websites and improved the brand of the project by highlighting their main colors in borders, backgrounds, links and charts.

Tema oscuro unificado para todos los sitios web del proyecto FusionFall Universe, que permitió a los usuarios disfrutar de una mejor experiencia en sus sitios web y mejoró la marca del proyecto al resaltar sus colores principales en bordes, fondos, enlaces y gráficos.

Application plugin for server-side applications based on the Open Source project OpenFusion, which improves the security of these ones and adds some necessary features, such as user account verification via e-mail, reset password and update password.

Complemento de aplicación para aplicaciones del lado del servidor basado en el proyecto Open Source OpenFusion, que mejora la seguridad de éstas y añade algunas características necesarias, como verificación de cuenta de usuario vía correo electrónico, restablecimiento de contraseña y actualización de contraseña.
